

where he could be washed by the cold sea water, and deprived him of food and rest until the poor fellow died. The body was found in the water, and was taken to the morgue in order to be sent to a lamp post, but he was so badly injured that he died.

PAVING THE LOWER LAW.—The Baltimore Police are referring to the request by a Charleston lawyer of the Baltimore Police, a companion between his case and that of Anthony Burns, where a Baltimore law was fully executed by a law loving and law abiding people. The Police says it is not willing to every right minded man in the Southern States to note the difference between the conduct of these two cases in Charleston and Baltimore. For the sake of our own country, we have no more a cause of a Northern State for a cause of a Southern State. We have no more a cause of a Northern State for a cause of a Southern State. We have no more a cause of a Northern State for a cause of a Southern State.

An Interesting Expedition.

The members of the great Arctic expedition, which is to be sent to the North Pole, are now in the city of New York. The expedition is led by Dr. Kane, and is composed of the most experienced and brave men of the age. The expedition is to be sent to the North Pole, and is to be the first expedition to reach the North Pole.

LOCAL AND MAINE NEWS.

OLD AND NEW STYLE TYPE FOR CARD PRINTING.

We have received several New Specimens of Card Type, which we will exhibit to those desiring to have Cards printed in the most fashionable and Latest Styles.

We would also call attention to the Addition Sale advertised to take place at the Female Ring on Friday, and to the fact that most of these were speculators rather than buyers, the sale was necessarily deferred.

We understand that the reason of pushing the sale of these goods by auction is that there are at the store a large number of garments on hand, which must be sold in order that work may continue to be given to the poor women that so much need it. We can give work to the poor women of Bangor, or they prefer to be given to those who are in need of it.

It is especially desirable to sell the overall, striped shirts, &c., because this coarse kind of sewing is all that the very poorest class of women can do. We hope that all in want of such articles, and those who have them in their employ who need them, will call and purchase.

Ladies' Lesson at Orono.—The ladies of the Methodist Church, at Orono, will hold a Lesson at Windsor Hall, on Saturday and Monday evenings, April 30th and May 1st. The entertainment will consist of music, tableaux and refreshments, and will undoubtedly be worth patronizing.

May Day Sales.—Mr. Albert Noyes of his green house, upon the Levant Road, has an excellent display of rare and common flowers, which will be sold to day and Monday. He has also from trees and vines in great variety.

Mr. John S. Sargent.—Mr. Sargent is now in the city of New York, and is engaged in the business of a lawyer.

Supreme Judicial Court.—Appleton, J. presiding.

REMARKS ON THE BANGOR RAILROAD.

On the 15th inst. a special train for Bangor was sent from Portland, and was met by a large number of people, who were very much interested in the project.

The project is to build a railroad from Portland to Bangor, and is to be the first railroad to be built in the State.

10,000 Farms & Building

With Gold Hepler and other participants, a film will be shown at the fair, for the benefit of the town of J. The subscription period for the film is from the first of the year to the end of the year. Each subscriber will get a book and a farm building in value from \$10 to \$300. The farms and buildings are sold in this way: three payments, a sufficient number being given to increase in the value of which will compensate for the present sacrifice. Building is well being built by the school.

The Academy was organized to help the school.
